THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU) No 517/2014 of the European Parliament and of the Council of 16 April 2014 on fluorinated greenhouse gases and repealing Regulation (EC) No 842/2006<sup>1</sup>, and in particular Article 10(12) thereof,

Whereas:

- (1) Regulation (EU) No 517/2014 includes obligations concerning the certification of natural persons with regards to switchgear equipment. In addition to recovery, their certification covers installation, servicing, maintenance, repair and decommissioning. Regulation (EU) No 517/2014 also includes requirements for the content of the certification programmes containing information on relevant technologies to replace or to reduce the use of fluorinated greenhouse gases and the safe handling of such technologies.
- (2) It is therefore necessary for the purposes of the application of Article 10 of Regulation (EU) No 517/2014 to update the minimum requirements as to the scope of activities as well as the skills and knowledge to be covered, specifying the modalities of the certification and the conditions for mutual recognition.
- (3) To take existing qualification and certification schemes into account, in particular those that have been adopted on the basis of Regulation (EC) No 842/2006<sup>2</sup> which has since been repealed, and the requirements laid down in Commission Regulation (EC) No 305/2008<sup>3</sup>, those requirements should be incorporated into this Regulation to the extent possible.
- (4) Regulation (EC) No 305/2008 should therefore be repealed.
- (5) In order for the Member States to have time to adapt their certification programmes to cover activities related to installation, servicing, maintenance, repair and decommissioning of electrical switchgear containing fluorinated greenhouse gases, it

<sup>2</sup> Regulation (EC) No 842/2006 of the European Parliament and of the Council of 17 May 2006 on certain fluorinated greenhouse gases (OJ L 161, 14.6.2006, p. 1).

<sup>3</sup> Commission Regulation (EC) No 305/2008 of 2 April 2008 establishing, pursuant to Regulation (EC) No 842/2006 of the European Parliament and of the Council, minimum requirements and the conditions for mutual recognition for the certification of personnel recovering certain fluorinated greenhouse gases from high-voltage switchgear (OJ L 92, 3.4.2008, p. 17).

is appropriate that the requirement to hold a certificate should apply as of six months following the entering into force of this Regulation to the activities related to installation, servicing, maintenance, repair and decommissioning of electrical switchgear containing fluorinated greenhouse gases.

- (6) The measures provided for in this Regulation are in accordance with the opinion of the Committee established by Article 24 of Regulation (EU) No 517/2014,

HAS ADOPTED THIS REGULATION:

### *Article 1*

#### **Subject matter and scope**

This Regulation establishes minimum requirements for the certification of natural persons carrying out installation, servicing, maintenance, repair, decommissioning or recovery of fluorinated greenhouse gases from electrical switchgear as well as the conditions for mutual recognition of certificates issued in accordance with those requirements.

### *Article 2*

#### **Certification of natural persons**

1. Natural persons carrying out the activities referred to in Article 1 shall hold a certificate as referred to in Article 3.
2. Natural persons undertaking one of the activities referred to in Article 1 shall not be subject to the requirement laid down in paragraph 1 of this Article provided they meet the following conditions:
  - (a) they are enrolled in a training course for the purpose of obtaining a certificate covering the relevant activity;
  - (a) they carry out the activity under the supervision of a person holding a certificate covering that activity.

The derogation provided for in the first subparagraph shall apply for the duration of periods spent carrying out the activities referred to in Article 1 not exceeding 12 months in total.

### *Article 3*

#### **Issuance of certificates to natural persons**

1. A certification body as referred to in Article 4 shall issue a certificate to natural persons who have passed a theoretical and practical examination organised by an evaluation body as referred to in Article 5, covering the minimum skills and knowledge set out in Annex I.
2. The certificate shall contain at least the following:
  - (a) the name of the certification body, the full name of the holder, a certificate number, and the date of expiry if any;
  - (b) the activity which the holder of the certificate is entitled to perform;
  - (c) issuing date and issuer's signature.

3. Where an existing examination-based certification system covers the minimum skills and knowledge set out in Annex I and meets the requirements of Articles 4 and 5, but the related attestation does not contain the elements laid down in paragraph 2 of this Article, a certification body referred to in Article 4 may issue a certificate to the holder of this qualification without repeating examination.

4. Where an existing examination based certification system meets the requirements of Articles 4 and 5 and partially covers the minimum skills as set out in Annex I, certification bodies may issue a certificate provided that the applicant passes a supplementary examination, of the skills and knowledge not covered by the existing certification, organised by an evaluation body referred to in Article 5.

#### *Article 4*

##### **Certification body**

1. A certification body shall be provided for in national law or designated by the competent authority of a Member State or other entities entitled to do so, as being allowed to issue certificates to natural persons involved in the activity referred to in Article 1.

The certification body shall be impartial in carrying out its activities.

2. The certification body shall establish and apply procedures for the issuance, suspending and withdrawing of certificates.

3. The certification body shall maintain records that allow verifying the status of a certified person. The records shall demonstrate that the certification process has been effectively fulfilled. Records shall be kept for a minimum period of five years.

#### *Article 5*

##### **Evaluation body**

1. An evaluation body designated by the competent authority of a Member State or other entities entitled to do so, shall organise examinations for the natural persons referred to in Article 1. A certification body as referred to in Article 5 may also qualify as an evaluation body.

The evaluation body shall be impartial in carrying out its activities.

2. Examinations shall be planned and structured in a manner which ensures that the minimum skills and knowledge set out in Annex I are covered.

3. The evaluation body shall adopt reporting procedures and keep records to enable the documentation of the individual and overall results of the evaluation.

4. The evaluation body shall ensure that examiners assigned to a test have due knowledge of the relevant examination methods and examination documents as well as an appropriate competence in the field to be examined. It shall also ensure that the necessary equipment, tools and materials are available for the practical tests.

#### *Article 6*

##### **Notification**

1. By 1 January 2017, Member States shall notify the Commission of the names and contact details of certification bodies for natural persons covered by Article 4 and of the titles of

certificates for natural persons complying with the requirements of Article 3, using the format established by Commission Implementing Regulation (EU) No [xxx/2015]<sup>4</sup>.

2. Member States shall update the notification submitted pursuant to paragraph 1 with any relevant new information and shall submit it to the Commission without delay.

#### *Article 7*

### **Conditions for mutual recognition**

1. Mutual recognition of certificates issued in other Member States shall apply to certificates issued in accordance with Article 3.

2. Member States may require holders of certificates issued in another Member State to provide a translation of the certificate in another official language of the Union.

#### *Article 8*

### **Repeal**

Regulation (EC) No 305/2008 is repealed.

References to the repealed Regulation (EC) No 305/2008 shall be construed as references to this Regulation and shall be read in accordance with the correlation table in Annex II.

#### *Article 9*

### **Entry into force**

This Regulation shall enter into force on the twentieth day following that of its publication in the *Official Journal of the European Union*.

However, Article 2(1) shall apply as of [*OP to set a date 6 months following the entering into force of this Regulation*] to natural persons undertaking installation, servicing, maintenance, repair and decommissioning of electrical switchgear containing fluorinated greenhouse gases.

This Regulation shall be binding in its entirety and directly applicable in all Member States.
