

SECONDED NATIONAL EXPERT - JOB PROFILE
Imagery Intelligence Service Manager

Tasks and responsibilities related to this post/position:

- Managing the entire service implementation and delivery cycle for regular imagery analysis services (Reference Mapping, Coastal Monitoring and Pre-Frontier Monitoring) as well as for evolution services (Large Area Pre-Frontier Monitoring, Earth Observation Recon, Multi-sensor Monitoring, Permeability Studies);
- Assessment, coordination and prioritizing of Earth Observation requests from both internal and external stakeholders;
- Supporting the definition and implementation of new Earth Observation services under the Copernicus frameworks;
- Coordination, evaluation and further development of Earth Observation training courses in close cooperation with the services and training provider (EU SatCen);
- Drafting and maintaining monitoring and evolution services documentation (guidelines, catalogues and workflows);
- Defining, coordinating and providing reports on the implementation and delivery of EU SatCen services;
- Effective communication and interaction with all relevant stakeholders

Professional qualifications, competencies and experience required:

Essential:

- At least three years of professional experience with delivering high quality analysis on illegal migration and/or cross border crime;
- Completed training in operational analysis, strategic analysis or similar;
- Skills in preparing briefing notes, reports and operating procedures;
- Excellent command of Microsoft Office applications.

Assets:

- Completed training in imagery analysis, geospatial analysis or similar
- Capability to analyse quantitative datasets and intelligence/information coming from multiple sources;
- Experience of working with Open Source Intelligence (OSINT);
- Familiarity with the mandate of Frontex and Eurosur Regulation;

Personal skills & competencies required:

- Capability to organise and manage work, including the ability to cope with stress in relation to demanding and multiple tasks, heavy workload, time pressure and tight deadlines;
- Excellent presentation, interpersonal and communication skills in English at least at C1 level (ability to communicate clearly and precisely to different audiences both orally and in writing);
- Ability to cooperate effectively within a diverse team in a multicultural environment (good team-working & team-building skills).
