3.2. Knowledge of Languages

Article 12.2(e) of the CEOS provides that a temporary agent may be appointed only on the condition that he/she produces evidence of a thorough knowledge of one of the languages of the Union and a satisfactory knowledge of another language.

You must therefore have knowledge of *at least 2 official EU languages*, one at minimum C1 level (thorough knowledge) and the other at minimum B2 level (satisfactory knowledge).

Please note that the minimum levels required above must apply to each linguistic ability (speaking, writing, reading and listening) requested in the application form. These abilities reflect those of the *Common European Framework of Reference for Languages* (<https://europass.cedefop.europa.eu/en/resources/european-language-levels-cefr>).

In this notice of selection we will refer to the languages as:

- **Language 1 (L1):** language used for drafting the motivation letter; it may also be used to complete the application form; it can be any one of the 24 official languages of the European Union;
- **Language 2 (L2):** language used in the interview, written test and communication between the secretariat of the selection committee and the candidates; must be English or French.

Language 2 must be different from Language 1.

Further detail on the languages of this selection procedure is available in Title 4.

3.3. Selection specific criteria

3.3.1. Diplomas

By the **deadline for submission of applications**, candidates must have:

- a level of education which corresponds to completed university studies attested by a diploma in a relevant field, such as, but not exclusively, international relations, sociology, European studies, communication, statistics, data analysis **where the normal period of university education is 4 years or more**

or

- a level of education which corresponds to completed university studies attested by a diploma in a relevant field, such as, but not exclusively, international relations, sociology, European studies, communication, statistics, data analysis **and appropriate professional experience of at least one year where the normal period of university education is at**

least 3 years. This professional experience will be part of the diploma and will not be taken into account in the required number of years of professional experience.

Only diplomas that have been awarded in EU Member States or that are the subject of equivalence certificates issued by the authorities of one of these Member States shall be taken into consideration.

3.3.2. Experience

By the deadline for submission of applications, and in addition to the qualifications required above, candidates must have **at least 2 years'** full time professional experience gained after obtaining the diploma required for admission to the selection procedure, in a field related to the nature of the duties described under the corresponding heading.

The **professional experience** may have been gained, for example, in international organisations and/or bodies, EU institutions and/or agencies, national and/or regional administrations, academia, research institutes, industry, non-governmental organisations or as a self-employed activity and will only be taken into account if it:

- constitutes genuine and effective work,
- is remunerated,
- involves a subordinate relationship or the supply of a service, and
- is subject to the following conditions:
 - **traineeships:** if remunerated,
 - **compulsory military service:** completed before or after the required diploma for a period not exceeding the statutory duration in your Member State,
 - **maternity/paternity/adoption leave:** if covered by an employment contract,
 - **doctorate:** for a maximum of 3 years, provided the doctorate was actually obtained, and whether or not the work was remunerated, and
 - **part-time work:** calculated pro-rata on the basis of the number of hours worked, e.g. half-time for 6 months would count as 3 months

4. LANGUAGE ASPECTS OF THIS SELECTION

Candidates are invited to choose in their application form which languages are, respectively, their Language 1 (L1) and Language 2 (L2). Please note that the language you choose as L1 and L2 can be different from your Mother tongue, as long as you comply with the knowledge requirements set out in the second paragraph of Title 3.2.

Candidates may complete their application form in any of the 24 official languages of the European Union. Please note that your whole application form will be accessed by the selection committee (during the selection) and by HR services of the European Commission (for

recruitment in case you are a successful candidate) who work in a limited number of vehicular languages.

In case you succeed in this selection and are placed on the list of aptitude, you will be asked to provide a translation of the application form in language 2 (English or French) to the recruiting services if you have used another language for filling in the application form.

Candidates must draft their motivation letter in their L1.

Language 2 must be English or French

In the interest of the service, successful candidates recruited for these particular fields are required to have a satisfactory knowledge (minimum B2 level) of English or French. While knowledge of additional languages may be an advantage, successful candidates will mainly use English or French for their work (internal communication or communication with external stakeholders, drafting of briefings, speeches, press releases). Therefore, with respect to DG EAC services, a satisfactory knowledge of one of these languages is essential. This choice is service-oriented and, consequently, a successful candidate not fulfilling this requirement would not be immediately operational.

English is mostly used in the meetings and communication with external stakeholders, including contacts with the Member States (work during visits to Member States for various quality assurance and compliance matters as well as preparation of detailed mission reports). English is also the language commonly used in various international fora, in other international organisations and in international conferences. The knowledge of French is relevant for internal communication purposes as this language is, together with EN, the most declared language 2 in DG EAC.

5. CONDUCT OF THE PROCEDURE

5.1 Eligibility checks

The eligibility requirements laid down in Title 3 "ELIGIBILITY AND SELECTION" above will be checked against the data provided in candidates' applications. The selection committee will check whether you meet all eligibility conditions. Only candidates who meet all eligibility conditions will be admitted to the pre-selection stage.

5.2. Pre-selection

The selection committee, composed in accordance with Article 2(c) of the Commission decision of 16 December 2013 on policies for the engagement and use of temporary agents, and, if necessary, assisted by one or more examiners serving in an advisory capacity, will carry out a pre-selection based on qualifications (see 3.3.1) as well as on the candidates' knowledge of languages (see 3.2.).

For this purpose, the selection committee will use the following weighting for each criterion to rate the candidates:

Qualifications	75%
Languages	20%
Experience	5%

5.3. Selection

Candidates who have successfully completed the pre-selection stage will be invited for:

- **an interview in L2**, in order to assess and compare objectively and impartially their qualifications, professional experience in one of the fields of expertise sought, and knowledge of languages, as set out in this notice of selection;
- **a written test in L2** in order to assess the technical skills of the candidates. Candidates will choose one out of two subject-matters related to the profile described under Title 1. This short essay will be done on computer with a maximum duration of one hour (no restrictions on word count/maximum length).

5.4. List of aptitude of successful candidates

The list of aptitude of successful candidates will **be valid for 2 years from** the date the selection committee draws it up. The validity of the list may be extended.

6. APPLICATIONS

Candidates must provide the following **documents in their application file**:

- application form duly **completed**;
- motivation letter, **drafted in L1**;
- copy of an official document proving citizenship (identity card or passport), in **original language**;
- copy of the diploma(s) or certificate(s) of the required level of education, in **original language**;
- employment certificates proving the length of professional experience, if any. These documents must clearly show the start and end date and continuity of each of the periods of professional experience to be counted for this selection procedure. For this purpose candidates should ideally produce employment certificates from their former employers and current employer. Failing this, copies of the following documents, for example, will be accepted: employment contracts, accompanied by the first and last pay slips and the final monthly pay slip for each intermediate year in the case of a contract of more than one year, official letters or acts of appointment, accompanied by the final salary slip, employment records, tax declarations (**in original language**).

Final acceptance of the application is subject to presentation of the requisite supporting documents. **If these documents are not received by the deadline stipulated, the application will be deemed void.**

If candidates are in any doubt about the nature or validity of the documents to be presented they should contact the secretary of the selection committee at least 10 working days before the deadline expires, via the functional mailbox at the following address:

HR-AMC2-EAC-TA-SELECTION@ec.europa.eu

The aim is to enable candidates to produce a complete and acceptable dossier by the deadline. Successful candidates who are to be offered a job will, at a later date, be required to produce the originals of all the required documents for the purpose of recruitment.

Completed applications, accompanied by a letter of motivation and all required documents must be submitted via the functional mail box:

HR-AMC2-EAC-TA-SELECTION@ec.europa.eu

Candidates should use also this functional mailbox for all correspondence with the selection committee and for any request for information.

The closing date for the submission of applications is 28.02.2019

7. ADDITIONAL INFORMATION

This notice of selection is published in the 24 official languages of the European Union on the websites of DG EAC and EPSO.

Any direct communication between candidates and the Commission services will be exclusively by email. Therefore, to enable Commission services to contact candidates, each candidate is required to indicate a valid e-mail address which can be used throughout the entire selection procedure.

In so far as the knowledge of French or English is required from the candidates, it appears justified and proportionate, with a view to striking a balance between candidates' abilities and resources of the administration, to require candidates to choose one of these two languages in their communications with the administration.

8. REQUEST FOR REVIEW – APPEAL PROCEDURE – COMPLAINT TO THE EUROPEAN OMBUDSMAN

Since the Staff Regulations apply to every stage of a selection procedure, please note that all the proceedings of the selection committee are covered by the confidentiality laid down in Annex III of the Staff Regulations. Your request will be forwarded to the Chairman of the selection committee and you will receive a reply as soon as possible.

You should note that the Appointing Authority does not have the power to amend the decisions of a selection committee. The Court has consistently held that the wide discretion enjoyed by selection committees is not subject to review by the Court unless rules which govern the proceedings of selection committees have clearly been infringed.
